Participant Feedback (unedited responses)

What I liked best was (because)

- the information was very useful
- the ease of the quiz
- the quizzes as they were short and helped to give me an understanding of the content
- Very informative
- how easy it was to use because most online courses are hard to use.
- the easiness to use the website because it wasn't too confusing and I could understand everything
- workplace conflict resolution
- hard to pinpoint as it was all informative
- The questions were easy and it was easy to go back if I couldn't remember a question
- bullying add, because it shows you important messages about bullying
- was easy to understand and didn't take too long.
- the amount of information provided
- that there was information about bullying
- It was very informative
- is the sample quiz
- The pictures
- it was easy
- Accessibility because it was easy to use
- easy to use and effective
- The Quiz's
- I liked all bits
- clear
- It was quick and simple.
- Easily understood by students
- easy to read
- The well set out layout because it made it easy to understand
- easy to use
- the tests
- quizzes
- tests
- the quiz because it stimulated my brain
- It widens my understanding about workplace and rules about working
- the questions and info that was provided
- Learning culture and diversity because it tells you how to act within the situation and I am able to use it on my resume.

What I liked best was (because) ... *continued*

- It was easy. I can put it on my resume
- the surveys because it asked about my opinion on things
- All of it. helped my noleg [knowledge] of the work place
- the quizzes beacuse it teaches you more
- workplace andf safety
- information
- answering the quiz questions because taht helped my understanding of this course.
- everything
- safety because it taught me some new thing about it
- everything
- queitons becuae they were easy
- the questions because they were understandable
- The questions because it was good to see my reults

What other content, information or areas I think would be important to add?

- more quizzes
- ummmmm
- More about Safety
- everything was covered.
- I think more detail on the work place environment
- all of it was highly informative so I am unsure
- Safety quiz
- how to improve working
- some examples of different belifs or values that may be experienced in a workplace
- more abou safety and fist-aid
- Most Bases Covered
- I believe all content was there
- workplace health and safety
- how the employer or supervisor should treat the employee
- what your interests and hobbies are and skills you have
- workplace health and safety
- I think it was pretty good the way it was
- experience
- Tell what questions i got wrong but still be able to go back to fix them.
- fitness
- teenage unfair treatment

Workplace Readiness Online Course - Feedback

PaQS People & Quality Solutions Pty Ltd

The most useful or helpful part to me is (because)

- learning about other cultures in work place
- it was easy to understand
- getting suggestions from the information on how to improve my time and make complete use of it in my workplace
- Easily going back to change answers
- the test questions because they were informative
- How to act in a working environment, what to do when there is bullying was extremely helpful.
- although i haven't been bullied before it does help recognise what to do in that situation.
- The information explain mostly everything
- learning new skills
- the quizzes because they tested my common sense and knowledge.
- The information for each topic
- the way the course was set up
- applying the information
- interaction
- Information provided
- quality information
- My students get a certificate to add to their portfolios
- The most useful part for me was the part about managers
- doing the tests
- the tests
- the entire thing
- The bullying because some employers that are bullied fight back that causes them to also bully other.
- It also gives you info about bullies that are important.
- the information and questions because they gave me insight to the working future
- the information about jobs
- Learning different situations in the workplace.
- The bullying because it can help me to help out with friends or family in need
- The information before the quiz
- everything
- Completing the course with no mistakes.
- safety
- the questions so i know something i haven't known before
- the questions because it made me think about what's good and bad
- The course content
- work place bullying
- Dunno

What I liked least (because)

- it was very long
- set up / log in
- length, time consuming
- difficulty to find the page
- that there was a lot of reading
- the overall look of the site
- large use of bullying content
- Some of the questions could of been both agree and disagree
- reading
- the reading
- all the reading
- there was alot to read, i lost track quite frequently.
- the videos were banned for me to watch
- easy format to use
- Alot of information, some much to read and to take in.
- Too much information on slides
- lots of reading
- easy
- The small writing as it was hard to see from a mobile device
- More Interaction, a video or audio file
- less reading
- reading the material
- reading
- reading the material
- all the reading
- they didnt give an option tro add in any extra info such as skills or hobbies
- It was difficult to answer.
- There were some unrelated questions
- felt repetitive
- all the reading even though it helps you too be safe and too learn
- To much reading and wasn't relevant.
- unhelpfull questions
- the info because it didnt have much to do with the queitons

Final comments or suggestions

- good, easy course
- well done website
- Good use of info and quizzes
- i like new things and skills
- stuff everyone already knows
- Good, easy to use interface
- Maybe some more questions
- i think there should be some more short (1 or 2) quiz questions on each page to reinforce the reading
- Great site
- i liked it
- i liked it
- it is a goodsite with good surveys and questions and gives good infomatuon towards work
- Those unrelated questions could be fixed
- lovely
- very helpful
